

Order your Speakers Contest Packet

Dear Lion:

Congratulations on your new leadership role on the club level! At the present you are my key contact until your Student Speaker Contest Chairperson is appointed. We had a gratifying district contest in 2008-2009 and, with your help, we will aim to double the participation this new Lions year.

To help reach our goal, our district has already selected the topic for 2009-2010 speaker contest. It is:

"Why the Escalating Violence Among Our Youth"

We will also provide your club, free of charge, a packet of materials (official handbook, worksheets, posters, information sheets, etc.) at our first cabinet meeting end of July. This early start will give your club a headstart to contact schools in your community during August & September.

As you know, on the club contest level, every participant receives a cash award. The winner is awarded \$75.00 and each finalist is awarded \$25 cash. All you need to do right now is to request for this packet.

Please reply to this email by completely the following sentence: Thank you for your help!

Lion Esther: Please order a 2009-2010 Contest Packet for my club

_____ Lions Club, Zone ____, Region _____
